

DATA PROTECTION NOTICE

on the processing of personal data in CVs and Dols of members of the Management Advisory Committee

1. Introduction

Personal data contained in Declarations of Interests (Dols) and CVs provided by members of the Management Advisory Committee of Eurofound (MAC) are processed in accordance with [Regulation \(EU\) 2018/1725 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data](#) (hereinafter referred to as 'Regulation no. 1725/2018' or 'EDPR')¹.

The Head of Resources Unit is the staff member responsible for this processing operation on behalf of the data controller (i.e., Eurofound).

2. Why do we process your personal data?

In light of the principle of transparency and in response to calls by the European Parliament and the European Court of Auditors to reduce the potential for conflicts of interest on the Management Boards of EU Agencies, Declarations of Interests accompanied by short CVs of MAC members are published on Eurofound's website.

4. What is the legal basis for processing your personal data?

In line with Decision on Conflicts of Interests adopted by the Management Board on 16 June 2020, Dols and short CVs of members of the MAC must be published on Eurofound's website. The processing of data is therefore based on Article 5(a) and (b) of Regulation (EU) 2018/1725.

5. Who has access to your personal data and to whom is it disclosed?

The Dols and CVs of the members of the MAC are publicly available on Eurofound's website.

6. How long do we keep your personal data?

The Dols and CVs of MAC members are retained on the website for as long as the MAC member is employed by Eurofound and is removed once the he/she leaves their position, or Eurofound permanently.

7. How do we protect and safeguard your data?

The Dols and CVs are stored directly on Eurofound's website. The security measures currently in place for Eurofound's website apply to this processing operation as well.

8. Do we transfer any of your personal data to third countries or international organisations (outside the EU/EEA)?

No.

9. Does this processing involve automated decision-making, including profiling?

No decision is taken by Eurofound in the context of this processing activity solely on the basis of an automated processing of your personal data (i.e. processing without human intervention, for example profiling [evaluating or predicting your behaviour using automated tools]).

10. What are your rights as a data subject and how can you exercise them?

Within the limits set by the EDPR, you have the right to access, rectify, erase and/or port your personal data, as well as to restrict or object to the processing of your personal data.

In order to exercise your rights, please contact in writing the Head of Resources (reception@eurofound.europa.eu) whereby you shall specify your claim (i.e., the right(s) you wish to exercise).

The exercise of your rights is free of charge. If your request is manifestly unfounded or excessive, Eurofound may refuse to act on it.

Should you feel that the processing infringes the data protection rules, you are entitled to raise a complaint with the European Data Protection Supervisor

(www.edps.europa.eu). Please find the complaints form at https://edps.europa.eu/data-protection/our-role-supervisor/complaints/edps-complaint-form_en.
